PROFESSIONAL EXPERIENCE

Digital Marketing and Market Research Intern *Aglo Bond Pvt ltd. | June 2025 – August 2025*

- Conducted in-depth quantitative and qualitative market research (surveys, distributor interviews, secondary data) to analyse customer behaviour and segment markets.
- Used Google Trends & Search Console to identify seasonal demand and content opportunities for FMCG categories like pulses, dry fruits, and rice.
- Compiled and cleaned data for lead generation and email campaigns using Excel and Zapier workflows.
- Supported campaign creation and messaging for email and WhatsApp outreach, ensuring brand consistency.
- Performed initial keyword research and supported Google Ads campaign setup; monitored basic KPIs for reporting.
- Created Excel dashboards and PowerPoint decks for data storytelling and stakeholder presentations.
- Utilized AI tools (ChatGPT, Canva AI) for research summaries, content creation, and visual design.

E-commerce Seller | Amazon India (Seller ID: A35RU6FGL0700V)

Amazon Storefront Dec *2024 – May 2025*

•Managed an Amazon India storefront, overseeing product listings, order fulfillment, and customer service.
•Conducted keyword research and implemented SEO strategies to improve product visibility and search ranking.
•Analyzed sales trends and customer feedback to optimize product offerings and enhance customer satisfaction.
•Utilized data insights to drive revenue growth and increase popularity rank across multiple categories.

Freelance Digital Marketer | Self-Employed *Jan 2023 – 2024*

- ***Delivered customized digital marketing services including SEO, keyword research, and content optimization.***
